

Some Feedback 2017-2018

Vince

"Vince very approachable"

(50%)

"You are intimidating and I would personally rather approach a tutor for help - no offence. Where is your accent from?"

(20%)

The class meeting

“The lecture is useful to go over what we struggle with.”

(60%)

“Would be better to discuss the upcoming lab sheets in lectures instead of the one we just did.”

(4%)

“Some aspects should be taught first in lectures.”

(4%)

Labs

*“Some (not all) [tutors] just give us the answers and don't explain it clear enough **AND**.”*

(3%)

“Sometimes asking if you're watched videos when you have is a bit demoralising, makes it hard to ask for help.”

(3%)

*"Would like to know about all assessment from the start,
class test was only recently revealed and don't know
much about the remaining 45%"*

"Do you have snapchat?"
